

Ski Arpa Express

Ski Arpa makes a great one night extension after your week in Portillo

Ski Arpa makes the perfect extension for those persons who have spent a week at Portillo. Just one hour from the town of Los Andes, Ski Arpa is on your return route to the airport. With most international flights departing after 8pm there is plenty of time to return you to the airport on Sunday for your flight.

Saturday – Portillo / Los Andes

After you finish skiing on Saturday your driver will meet you at the Hotel Portillo and transfer you to your hotel in Los Andes.

Sunday – Ski Arpa / Airport

Adventure skiing in the shadow of mount Aconcagua: A full day of Cat Skiing (4 runs) at Ski Arpa. Fantastic views of the Aconcagua (the highest peak outside the Himalayas) await us on top. Guided by local experts we'll have approximately 10,000 feet of vertical.

At the conclusion of the day we will take you to the airport in time for your international flight or to your Santiago hotel.
