Ski Arpa Multiple-Day Packages *The Definitive Chilean Experience!*

Ski Arpa offers all-inclusive packages with cat skiing, lodging, meals and transportation. Not only will you spend your days carving turns in deep powder, you'll also immerse yourself in Chilean culture, enjoying regional cuisine, historic accommodations, and nightly conversation with locals. Ski Arpa packages include lodging options at six different properties, each suited to a variety of tastes and budgets. The benefit of our packages is the ease of booking your entire Ski Arpa vacation with just one reservation through our exclusive tour operator Santiago Adventures who has worked with us for the past five seasons.

Termas de Jahuel

This recently renovated, historic, 4-star resort is nestled in the foothills of the Andes, near San Felipe and about a 60-minute drive from Ski Arpa. Termas de Jahuel features indoor and outdoor thermal pools, massage and steam baths for relaxing after a hard day on the slopes. Visitors to Termas de Jahuel will find cozy, ultra-comfortable guestrooms that are fully stocked with amenities such as mineralized spring-water showers and satellite TV. Trails through scented forest wind around the resort and the hotel has an elegant dining area.

Uriel Hotel and Spa

Just finished in time for the 2010 ski season this new twenty-five room hotel in Los Andes is a great addition to our all-inclusive packages. The Uriel has a complete spa facility including jacuzzi, steam bath, sauna and massage treatment rooms. They also have a fitness center and a large outdoor heated pool. The hotel was built by the owners of the Monastery Vineyard, one of the oldest wineries in the valley, which includes a fascinating museum and an authentic Chilean restaurant right next door where you will enjoy your dinners each night.

Hacienda Casa San Regis

Take a step back in time and surround yourself with history in this 19th-century hacienda, one of the more unique lodging options in the Aconcagua Valley, located 50 minutes from Ski Arpa. The former manor home of an expansive 40,000 acre estate, Casa San Regis is now a bed & breakfast, with six rooms and capacity of up to 15 persons, offering simple yet comfortable accommodations with an antique flair. Your hosts, Marcela and Alexis, offer warm hospitality and personalized service, often joining guests for dinner and giving insight into Chilean culture and history. The roaring fireplace in the living room is an excellent place to unwind after a long day of skiing.

Inca Hotel

The Inca Hotel (not to be confused with the Inca Lodge at Ski Portillo) just opened in late 2009. This brand new 47 room hotel is conveniently located on the international highway in Los Andes making for easy access to Ski Arpa and Portillo as well as downtown Los Andes. The rooms are tastefully decorated in a rustic minimalist style. They also have the hippest lounge in Los Andes. Wifi included.

Hosteria Rucahue

Our backpacker budget option located in downtown Los Andes. Mind your manners though as this is a reputable place with clean rooms, great service and a good breakfast to get you going in the morning. Eighteen rooms with private bath. Wifi zone. Private off-street parking.
